

Polygon Squad: Unit 1

Tic-Tac-Toe Story Book

Sorting & Describing Polygons	Angles and Rotations	Drawing with Tools
Polygons Formulas	Triangles	Quadrilaterals
Parallel Lines	Transversals	Polygons in Nature

- To complete the summative assessment choose three topics to make three in a row, or Tic-Tac-Toe. Include everything you've learned about each topic and communicate that knowledge through an authentic story.
- Stories will be shared with other students.
